

Dear _____,

This school year I am involved with the Plano West Senior High School Theatre! I am excited to be a part of the many theatre productions on the calendar this year. Plano West will be putting on *Stage Door* in October, *Gypsy* in February and *Once On This Island* in April. Additional shows include: the UIL One Act and Student Directs throughout the 2018-2019 school year.

I am writing to ask for your contribution to help support the Plano West Theatre Department for this school year. Plano ISD does not provide funding for theatre productions; however, funding is needed to produce a successful show. Funds raised will be used for purchasing production rights, scripts, and music, designing and building sets and props, making costumes, maintaining quality sound and stage lighting, and educational programs.

Theatre helps develop crucial skills in young people today, both as performers and audience goers. Theatre teaches communication, exposure to new ideas, diversity and acceptance just to name a few. The theatre experience is so important in helping teenagers grow and develop into successful compassionate adults. I hope you will help support these endeavors.

In order to make a contribution, I ask you to go to www.WestTheatre.org and click on the "Donation" button. Our website uses Paypal, so transactions are secure and protected. As a 501 3(c) all donations are tax deductible, as allowed by law.

Thank you for your help! Your consideration and support will go a long way in assisting the Plano West Senior High School Theatre Department put on the very best shows possible!
